The Power of Relational Marketing Creates Opportunity

The Power of Duplication

6 X \$200/month =
\$1,200 in volume per month

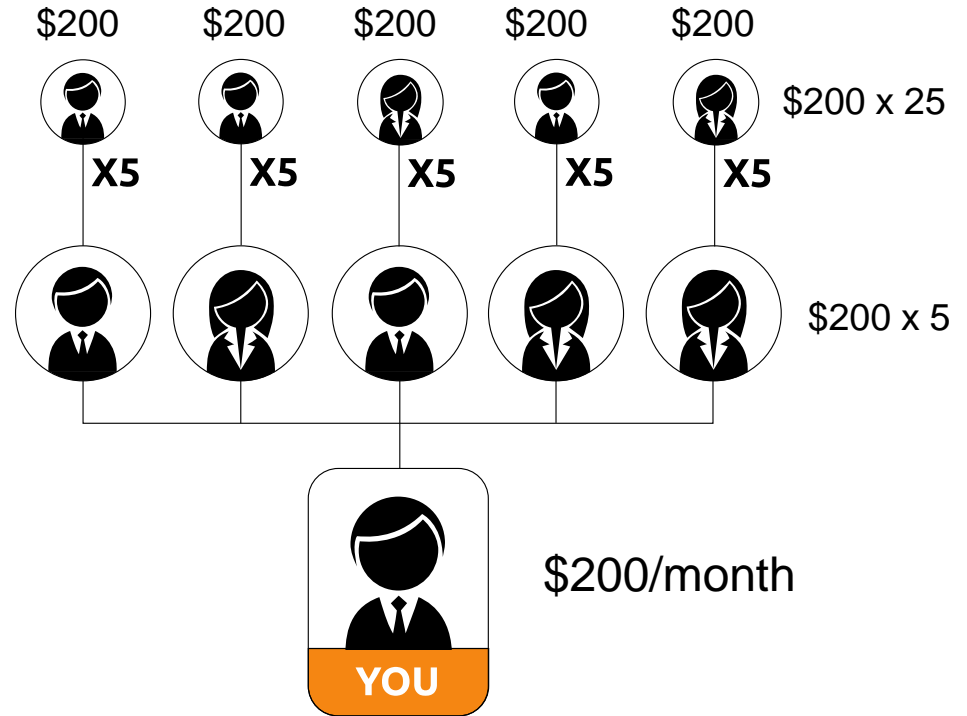

= \$100 per month in income

The Power of Duplication

30 X \$200/month =
\$6,000 in volume per month

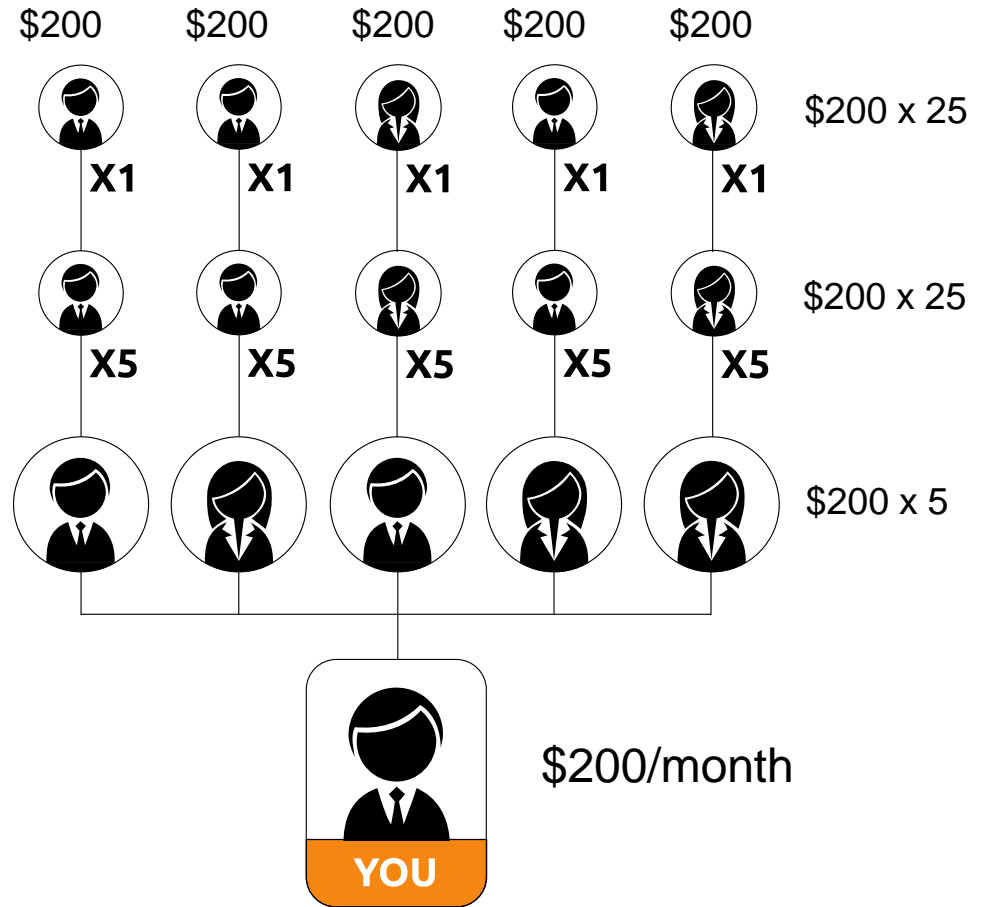

= \$1,000 per month in income

The Power of Duplication

55 X \$200/month =
\$11,000 per month in volume

= \$2,000 in income per month

Duplication and Business vs Sharing Products Only

If you started 5 Biz People = 5
If they did the same = 25
If they did the same = 125
Total = 155

Biz people create big volume

This would create significant wealth

If you started 30 Consumers

You would have 30 consumers

This would create a fixed income

Understand the Difference

Kind of ironic that these people think network marketing is a waste of time...

“We make
a living by
what we
get...

...we make
a life by
what
we give.”

Winston
Churchill

“There is
no exercise
better for
the heart
than
reaching
down and
lifting
people up.”

John Holmes

What is my
life purpose ?

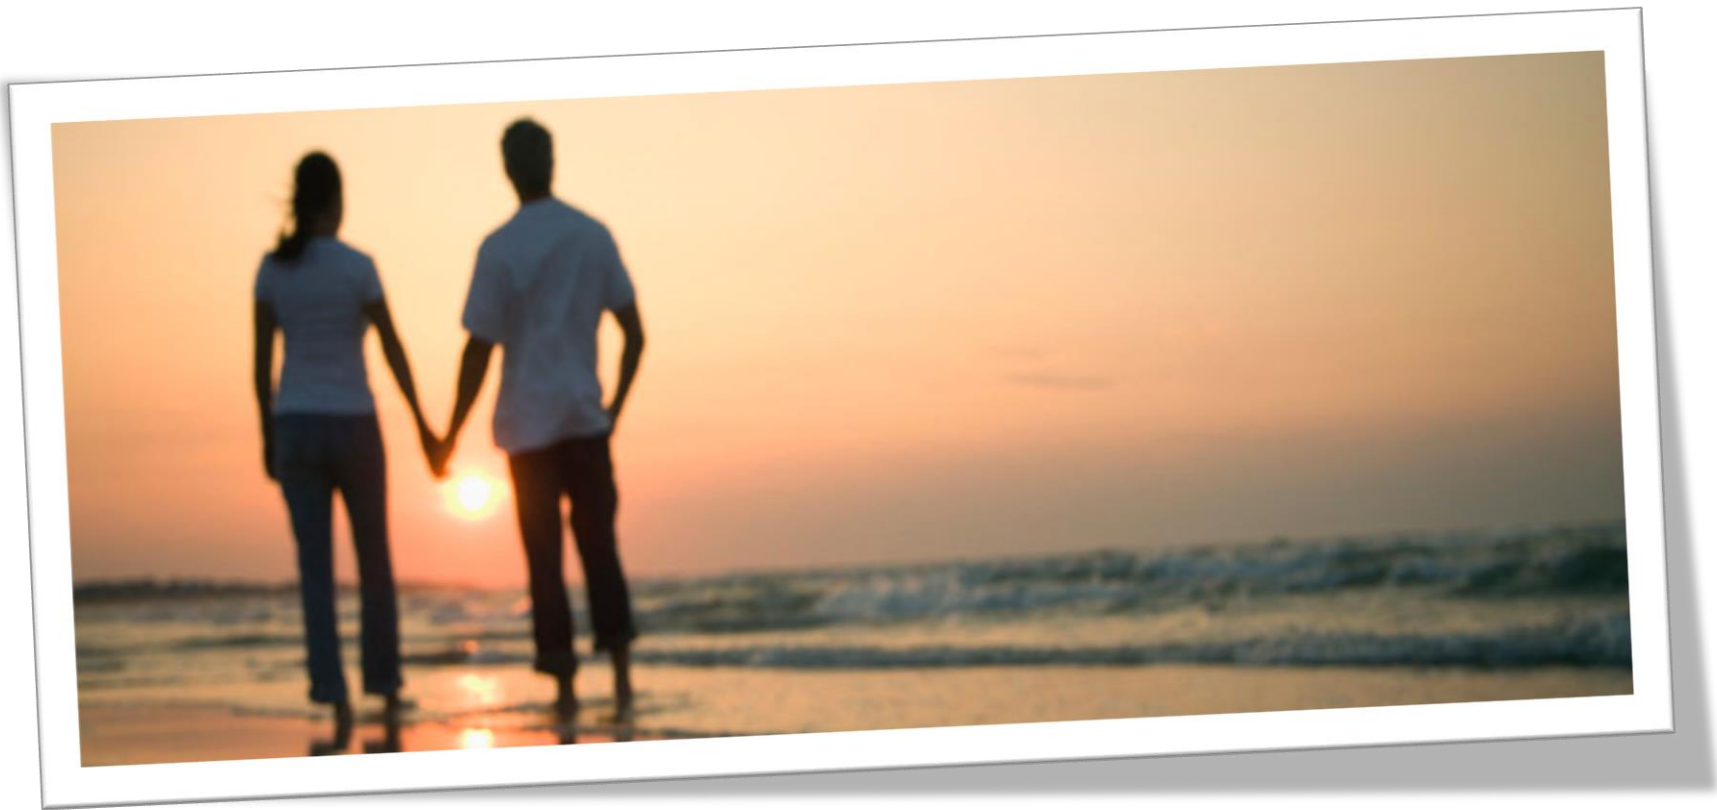

“PICTURE YOURSELF AT 90
YEARS OLD, SITTING IN A
COMFORTABLE CHAIR,
ASKING YOURSELF:
‘WHAT HAVE I DONE
IN MY LIFE?’

Bill Beaton

How big
would
your

knew you
couldn't
fail?

What would be your biggest challenge?

Lets talk about it...
