

# Your Options for Joining Sunrider

## Here are your options:

**1) Customer** - This is a simple and easy retail account that is a Free membership. If you choose this account, you will pay 10% over the wholesale price when you purchase products.

**2) Preferred Customer** - This membership requires a fee of \$30.00 US or \$37.00 CDN plus tax, once per year. With this account, you will pay only 5% retail over the wholesale price.

This account also gives you the option of purchasing at the wholesale price. To do that, simply request to be placed on a **monthly auto-ship** of \$200 US or \$260 CDN plus shipping and tax.

**3) Independent Business Owner (IBO)** - To become an IBO, you are required to purchase the Starter Pack. The cost is \$120 US or \$156 CDN plus shipping and tax. It includes a sampling of products, business materials, pays for your personal Sunrider website and gives you access to the Sunrider University for a year. It also allows you to pay wholesale price, sponsor others, and earn an income from Sunrider.

With this account, you are required to pay a yearly fee of \$77.00 CDN plus tax on the anniversary date of setting up your account. (At the time this is being updated... I didn't know the US amount yet) This is to renew the account, continue receiving the benefits of your personal Sunrider website, the Sunrider University, and more.
